

SOAR Online Course: Child Curriculum

SOAR is a national program, sponsored by the Substance Abuse and Mental Health Services Administration (SAMHSA), designed to increase access to the disability income benefit programs administered by the Social Security

Administration (SSA) for eligible adults and children who are experiencing or at risk of homelessness and have a serious mental illness, medical impairment, and/or a co-occurring substance use disorder.

SUPPLEMENTAL SECURITY INCOME (SSI) FOR CHILDREN:

Developmental disabilities, serious mental illness, trauma, and medical issues can impact a child's ability to function. The path to recovery can be extraordinarily challenging when a family is constantly struggling to meet basic needs. Accessing income and healthcare benefits for children with disabilities through SSI is often a crucial first step on the road to recovery.

- Course is FREE, web-based, and self-guided
- Complete a full, practice SSI application for a fictional child, including a Medical Summary Report
- Receive individualized feedback from experts at the SAMHSA SOAR TA Center on the practice SSI application
- Training takes approximately 20 hours to complete
- Earn 20 free Continuing Education Units from the National Association of Social Workers upon successful completion
- Support available from the SAMHSA SOAR TA Center and local SOAR Leaders
