

MARYLAND STOP OVERDOSE STRATEGY TOWN HALL SERIES

Annapolis Virtual Town Hall

Wednesday, January 19th, 2022 | 4:30–6:00 p.m.

Make Your Voice Heard

Share your experiences of how the opioid and overdose crisis has impacted your lives and your communities. Town hall attendees are encouraged to share their thoughts about approaches at the local level that can help combat the opioid crisis and save lives. This event is open to the public. All are welcome.

The town hall will feature presentations from the Opioid Operational Command Center (OCC), local officials, and representatives from the Maryland Department of Health. We will also discuss possible uses for funds that the state receives from legal settlements with prescription opioid manufacturers and distributors.
