Request for Proposals Mental Health Case Management for Adults Questions and Answers

1. How many adults were served last year?
 - a. Currently, Anne Arundel County has 2 providers, which served approximately 180 individuals last year.

2. Is there anything AACMHA is specifically looking for?
 - a. The RFP document is all inclusive and the service is regulated by COMAR. There is a lot of interaction with the AACMHA Clinical staff. Stephanie Trice handles all the uninsured requests and complaints. Targeted Case Management is a service that is often referred to by our office.

3. Where do referrals come from?
 - a. Referrals can come from anywhere – psychiatric hospitals, OMHC, PRPs (when individuals are exiting a program), homeless shelters and drop-in centers, on occasion from the Department of Social Services, can be a self-referral also. AACMHA also recommends that providers register as a Targeted Case Management provider on Network of Care (<https://annearundel.md.networkofcare.org/mh/index.aspx>) which is our County’s provider directory.

4. Due to COVID-19 impacts on normal and usual processes, will Anne Arundel accept digital/electronic signatures for this proposal submission?
 - a. Yes
