Re: MORR/STR/CURES Meeting to Discuss SUD Crisis Stabilization Funding Opportunity

All interested providers are invited to attend an information and interest session on **July 31, 2017, 9:00 am** in the **Lower Level Conference Room at 3 Harry S Truman Parkway Annapolis MD 21401**.

This is to discuss Anne Arundel County's response to this funding opportunity. The meeting will be co-hosted by Sandy O'Neill, Anne Arundel County Department of Health and Adrienne Mickler, Anne Arundel County Mental Health Agency. The **application is due to the state by August 11, 2017**, with an implementation date of September 1, 2017.

We are interested in developing a network of SUD crisis stabilization providers throughout the county by building on our current strengths and providers and filling in system gaps.

If you are interested in becoming a provider in this new system or just want to learn more about the opportunity, please join us next Monday.
