

## The LBHA Connector

Your Gateway to Behavioral Health

November 1, 2021 | Issue 1

### Who Are We?

The Anne Arundel County Local Behavioral Health Authority or LBHA is a partnership between the Anne Arundel County Department of Health and the Anne Arundel County Mental Health Agency, Inc. Our goal is to facilitate a strong local behavioral health system that is integrated, complexity capable and contributes to the overall health and wellness of county residents.

### Need a Vaccine?

The Anne Arundel County Department of Health is offering FREE COVID-19 vaccinations to all Marylanders age 12 and older. The Department of Health's clinics are held by appointment only.

### A Message From Our Directors

This month we celebrate Thanksgiving, traditionally a time to reflect on all we are grateful for.

Vaccination rates are rising, and case numbers are coming down, and we can now come together for a traditional Thanksgiving meal.

November is also National Veteran and Military Families Month, with Veterans Day celebrated on the 11th.

In the spirit of the month, our gratitude extends to veterans, their families, and the sacrifices they make for us all.

November is truly a month where we acknowledge everything we have to be thankful for.

### Youth & Families

Every school in the AACPS system now has **Expanded School-Based Mental Health**. Students enrolled in Medicaid can receive mental health services at their school during the school day through Villa Maria, Children's Guild, Innovative Therapeutic Services, or Thrive Behavioral Health.

If you are interested in this service for your child, please contact the school counselor at your child's school for more information.
